

The Deputy Director of Central Intelligence

Washington, D.C. 20505

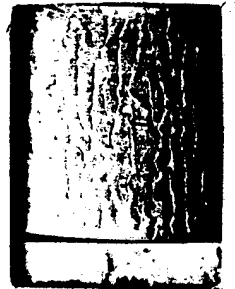

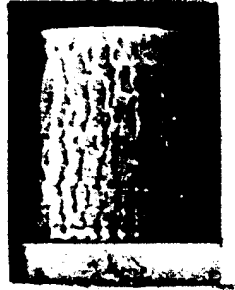

12 OCT 1982

Biel

If we do this -  
we should do it  
for conveying our  
message to the  
world. Do not  
focus on Gans  
since they will  
jam it -

Basically it's  
a good idea and  
just another step  
in technology -

MEMORANDUM FOR: Deputy Director for Intelligence

VIA: Director of Global Issues

Any guidance?

25X1

SUBJECT: CIA Position on [ ] Initiatives

REFERENCE: DCI/ICS 82-3131, 29 September 1982

25X1

1. In response to a request (see reference) from [ ] the DCI Representative to the US Interagency Group on International Communications and Information Policy, the undersigned has prepared the attached memorandum.

25X1

This memorandum takes a specific CIA position on [ ] initiatives, as requested by the DDCI, and analyzes potential foreign reactions. Inputs from the Executive Officers of DO and DS&T and analytic inputs from SOVA, OSWR and OGI were obtained. The attached response has been coordinated with each of these contributors. (S)

25X1

2. Please review and approve for release to [ ] the attached response to his letter. An extension of the original deadline of 7 October by 24 to 48 hours has been obtained by telephone. (U)

25X1

3. You may also wish to give the DDCI or the DCI an opportunity to review and approve the CIA position. (U)
